

The Continuation The Reformation – Radicalization

Introduction:

1. **Exodus 33:15** Moses is talking to God and says, ***"If your presence will not go with me, do not bring us up from here. How shall it be known that I found favor in your sight, I and your people? Is it not in your going with us so that we are distinct, I and your people, from every other people on the face of the earth?"***
2. Said some things last week that I hope got you thinking

Don't be Conformed:

1. Impartation for breakthrough
2. Jesus did not go through what He went through for us to do church
3. The Lord has designed for us to be transformation people
4. **Romans 12:2** ***"don't be conformed to this world but be metamorphosed – transformed - so you can prove the will of God that which is good and acceptable and perfect"***
5. The greatest instrument to display the love of God – the signs and miracles - is through the renewed mind
6. When Jesus taught us about the will of God He did so when He modeled a prayer for us
7. He taught us to pray like this ***"your kingdom come – your will be done on earth as it is in heaven"***
8. We can take that as a symbolic summary of the will of God on earth
9. Our earthly assignment is for people we come into contact with to see the reality of His will manifest in and through our lives
10. He is constantly trying to get me to see the world from His perspective
11. He says, ***"don't be conformed in other words don't be like the world in word and deed be changed to God's way of thinking – be transformed by the renewing of your mind"***
12. Confirmation from Alan Ross - Ps 2:8 ***"Ask me, and I will make the nations your inheritance, the ends of the earth your possession."***

A Shift:

1. I want to see culture shifted and changed – fueled with the purposes of God
2. I am shaped by the actual identity of God and so this transformation must take on fresh fervor and passion in our hearts
3. Although we don't always know how that comes about it basically is like this – you and I are transformed as our minds are transformed
4. I am changed by the transformation of my own mind and transformed people transform churches – cities and nations
5. If you want to see this church – your city – your nation transformed – we must see and understand things the way the Lord sees them
6. He does things so completely differently to our natural thinking
7. We have the example of when Jesus was asleep in the boat
8. They wake him up and ask the Savior of the world – ***"don't you care that we perish?"***
9. What is this story really saying to us?
10. I believe throughout His whole ministry here on earth he was modeling what you and I ought to do

11. And so, we need to understand that we can live from His dominion towards the affairs of life – towards the difficulties – towards to the brokenness of so many people and situations that are bankrupt
12. Here Jesus modeling something for us that should become part of us
13. if Jesus rebuked the storm there was a power in the storm that was not from the Father
14. You cannot celebrate what Jesus does and then fail to do it when you have the opportunity
15. I may never reach what I see in scripture but I do not have the right to change the Word of God so it suits my theology and lack of faith
16. Whatever your storm today He can still it

Partnership:

1. Every miracle proclaims He the resurrection and that He is alive
2. We will see miracles in the worship portion of the service
3. With everything Jesus did He was modeling the Christ life for us
4. He tells the disciples in **Matthew 28** ***"all authority has been given to me so go into all the world preach the gospel – disciple nations and then He says teach them everything I taught you"***
5. Story of cutting lumber boards
6. We can't measure ourselves by the previous generation
7. If I live in reaction to darkness then I give the devil a role in establishing the agenda
8. Our lives should be about hosting the person of the Holy Spirit and listening to him

The Lifestyle:

1. Jesus modeled a lifestyle for us that we can live by
2. Jesus models everything for us – for example the woman caught in adultery
3. It was a father daughter moment
4. Jesus was revealing this perfect Father to a planet of orphans
5. *Your shadow will always release that which overshadows you*
6. I don't have a dream of a big ministry - never have – big people is my dream
7. Everything I do is to protect my relationship with the Holy Spirit
8. *"Give me 10 people who love only God and hate only sin and I will change the world."* -
9. The devil is not worth my conversation or consideration
10. **"On earth as it is in heaven"** summarizes the heartbeat of God
11. When Jesus said, **"it is finished"** there is nothing outside the redemptive work of Christ that He cannot handle
12. The answer for the world is the power of the gospel
13. If I don't get it right I get before the Lord and say *Father that person was expecting your touch today – they came so I could pray for them He came to me expecting to meet You and all he met was me and neither of us was impressed Father do something in me so that when people encounter me they actually see You*

Upgrade:

1. **Hold out your hands and let me pray:** *"Father I am asking for an upgrade of insight and power to do what you have called us to do that together we would walk in harmony – in purity and demonstrating the power of the resurrected Christ that nothing would be impossible for these people here"*
